# Uniform Policy

We are proud of our College uniform as it presents a positive image of our College and our students.

The uniform must be clean, neat and in good repair. The uniform must be correctly worn at all times, including while travelling to and from school. The blazer must be worn to and from school, and may be removed during the school day. It must be worn on all formal outings, opening and closing chapels and formal assemblies. On these occasions, parents and students will be advised that "*formal uniform is required*".

On days where the forecast is for temperatures of 32° or higher, students are not required to wear their blazer.

Hats are compulsory when students are outside for sport or during recess and lunch time during Term 1 and 4 and during extended times outdoors in Terms 2 and 3.

Parents must advise the College if their child is out of uniform via the student diary.

## **PREP STUDENTS**

To enable Prep students to participate and engage fully in gross motor opportunities they will wear the **sports uniform** all year.
